## Pizza

### **Forte Pizzeria & Ristorante**

Good pizza places are hard to come by. Great pizzerias are even more rare. With this year's title of Best Pizza, it's safe to say that Forte Pizzeria & Ristorante is one of such exceptional places. From potato and egg pizza to the regular cheese pie, Forte has pizza to please everyone. Stop by and grab a slice to see why pizza-making is certainly this restaurant's "forte."
